

**Do you sometimes feel left out of
conversations and miss things?
Would you like to meet other people
with hearing loss to share your
experience?**

Managing your hearing loss

**This free 6 weeks course can give you information, skills and
confidence to help you manage your hearing loss better.**

Different topics such as dealing with hearing aids, lipreading, technology and other relevant areas will be discussed and visits from guest speakers.

Partners, families and friends are welcome.

Come along and enjoy a cup of tea/coffee in a supportive and safe environment.

When: Thursday 17 May 2018 until 21 June 2018

Where: Southside Community Centre

How long for: 6 weeks

Time: 1.30pm to 3.30pm
