

Tea, Talk n' Take Away!

People with Hearing Loss

Do you sometimes feel left out of
social activities and miss things?

Would you like to meet other people with hearing loss to share
your experience?

Would you like to be involved in cooking a meal, enjoying this in a
small social setting, with other people with hearing loss, being
introduced to different weekly activities and leaving with an additional
meal to enjoy through the week? This is a free activity.

Tuesdays

Starting 28th May (running for 8 weeks)

2pm-5.30pm

Gilmerton Community Centre

Free on street parking
