Lipreading										
Professional training - DPR										
We offer a high-quality programme of accredited and non-accredited training for those wishing to develop a career in providing access/support services for deaf people. We employ a wide range of qualified LSPs within the Centre for Deaf Education, and the programme is taught by a team of well-respected practitioners in the field.										
Professional training courses - SUBSPC										
City Lit certificate in rehabilitation work with deaf people										
GT507*	30 Jan - 13 Mar	Thu-Fri	Day	10:00-17:00	5	KS	£3399	£3399	£3399	
Lipreading and managing hearing loss - DLI										
Contact details for these courses: Email deafedu@citylit.ac.uk Voice: 020 7492 2725 SMS: 07624 809630. Do you have difficulty following a conversation even though you may wear a hearing aid? If you have become deaf or hard of hearing, then practising lipreading can really improve communication. Coming to a lipreading class can help you learn to manage your hearing loss in a relaxed atmosphere. Get information about the latest equipment, services and support. All tutors are qualified specialist lipreading teachers for adults. Please note that a trainee lipreading tutor may teach part of the lessons under supervision.
